

Frosty Needs You!

Imagine this: → Frosty the Snowman actually exists! Once you get over your initial shock, he explains that it is a very warm winter and he desperately needs you. He asks you to smuggle him into your neighbor's meat locker which they barely ever use. What do you do? What happens?

Story Requirements:

- About 500 words; 12 size font & Ariel or Times New Roman only
- If you choose to handwrite, please write neatly & double space
- Describe:
 - the setting (time and place)
 - the characters
 - the problem
 - the resolution
- Use a thesaurus to practice expanding your vocabulary
- A good, interesting introductory paragraph that grabs the reader's attention
- Proofread several times before turning the story in
- Use imagination, make your story exciting!
- Quotations around your characters' words!
 - For example: Jerry said, "Oh no!"

✂ Story worth: 25 points
