2. Norway
 - a. Population _____
 - b. Square mileage _____
 - c. Average population density per square mile _____

3. Denmark
 - a. Population _____
 - b. Square mileage _____
 - c. Average population density per square mile _____

4. Austria
 - a. Population _____
 - b. Square mileage _____
 - c. Average population density per square mile _____

5. Argentina
 - a. Population _____
 - b. Square mileage _____
 - c. Average population density per square mile _____

6. Canada
 - a. Population _____
 - b. Square mileage _____
 - c. Average population density per square mile _____

7. Thailand
 - a. Population _____
 - b. Square mileage _____
 - c. Average population density per square mile _____
