

World Geography

Unit 5 - Europe & Russia's Physical Geography

Writing a Travel Brochure!

Directions:

1. Choose any country from Unit 5
2. Write a travel brochure for Americans who want to visit the country you chose.
3. Provide descriptions of the land, climate, and plant life.
4. Suggest clothing and other things that would be appropriate or a good idea to take along on the trip. The travel brochure must be exciting and make people want to travel to the country, yet it must also be truthful and honest.

Assignment requirements:

- Take a blank sheet of paper and fold it three ways. This becomes the brochure.
- The front flap is the title page. Create a title for your brochure and draw a picture. Be creative and make it look good!
- There will be 5 remaining flaps. On each of the remaining flaps include the following topics:
 1. the land
 2. the climate
 3. the plant life
 4. the people
 5. and on the back flap list any interesting places that should be visited and what should be brought along on the trip.
- There must be 3 pictures in the entire brochure. (You can put them all together or on different flaps) and it must all be colorful.
- Each flap must have four bullets of information.
- 60 points possible. (10 points for each flap).
- No Internet pictures! All pictures must be drawn by you or taken from a magazine.
