

The Writing Process Study Guide for Test

Here is what you need to know for your test on The Writing Process. All information can be found in your notes. If you complete this entire study guide, I will add 5 extra credit points to your test grade.

1. What are the four steps in the writing process?
2. Describe the first step in the writing process.
3. List **and describe** the four things you must think about when you are prewriting.
4. Describe the second step in the writing process.
5. What does free writing mean?
6. Describe the third step in the writing process.
7. Describe the fourth step in the writing process.
