## Toothaches in an Elevator!

### Assignment:

Write a 500-word creative story using the following prompt:

*As you are going to visit your dentist in a tall office building, the crowded elevator gets jammed between the floors. Several doctors' patients with serious problems are also there. The elevator may not be fixed quickly.  
What happens?*

Your story must include the following:

1. Several interesting characters
2. Conflict & plot
3. Resolution
4. Descriptive writing
5. Dialogue among characters
