

## American History

### Unit 18 – The New Deal

### Visual Project

#### Objective:

In groups of two, students will create a visual representation of the key people and events of the New Deal.

#### Directions:

- You and your partner will take a large white poster board and highlight the important people and events of the New Deal. Use resources from the unit such as class notes & discussions in addition to library and Internet sources.
- Required elements to include on your poster:
  - ✓ News stories about New Deal programs
  - ✓ News stories about New Deal developments
  - ✓ Profiles of important people
  - ✓ Political cartoons about people or events
  - ✓ Images representing ideas, people, and events of the New Deal
  - ✓ Quotes by important people of the New Deal
  - ✓ Quotes by average Americans during the New Deal like business owners, farmers, African Americans, women, etc.
- Everything on the poster board must be captioned in a sentence or two (typed or neatly handwritten).
- The poster board must be neat and organized as well as colorful and creative!
- Groups will present their poster board to the class; each member of the group must present equally! All projects will be displayed around the room throughout the duration of the unit.
- A bibliography page must be attached to every poster!!
